
File path traversal, traversal sequences blocked with absolute path bypass

1. File path traversal, traversal sequences blocked with absolute path bypass.
2. The website treats the supplied filename as being relative to a default working directory. So, I don't need to traverse in file system using '..'. I tried to hit the payload directly.

<https://0a520020039cc2a682bef6bf003800c6.web-security-academy.net/image?filename=/etc/passwd>

3. The lab already solved.

File path traversal, traversal sequences blocked with absolute path bypass
